### From Amsterdam (A4/A44)

On highway A4 follow highway A44 at junction Burgerveen, direction Leiden West. On highway A44 take exit 8, Leiden. At the traffic lights take a left turn and keep to direction Leiden/Utrecht. You are on the Plesmanlaan. At the fourth set of traffic lights turn left (Darwinweg, Bio Sciencepark). After 250 meters you will see Galapagos, based in the SL Plaza building, on your left.

### From The Hague (N44/A44)

At junction Prins Clausplein follow highway A12, direction The Hague. At the end of highway A12 take the provincial road N44, direction Leiden. The provincial road N44 becomes highway A44. On highway A44 take exit 8, Leiden and at the traffic lights keep to direction Leiden/Utrecht. You are on the Plesmanlaan. At the third set of traffic lights turn left (Darwinweg, Bio Sciencepark). After 250 meters you will see Galapagos (SL Plaza building) on your left.

### From Utrecht (A12/N11)

On highway A12 follow the provincial road N11 at junction Bodegraven, direction Leiden. At the end of provincial road N11 turn left onto highway A4, direction The Hague and take exit 7, Zoeterwoude-Dorp/Leiden. Follow the N206 towards Leiden, Leiden Zuid and subsequently towards Katwijk. Turn right at the traffic lights at the T-junction (Holiday Inn) and turn right again at the next traffic lights. You are on the Plesmanlaan. At the second set of traffic lights turn left (Darwinweg, Bio Sciencepark). After 250 meters you will see Galapagos (SL Plaza) on your left.

\* Alternatively, you can follow highway A2, direction Amsterdam and the routedescription from Amsterdam or highway A12, direction The Hague and the routedescription from The Hague.

### By public transportation

From NS Leiden Central station: walk from the "LUMC/Oegstgeest" side towards the LUMC Hospital and follow the pedestrian signs direction "Naturalis" the Darwinweg, you will see Galapagos across the street on your right (appr. 10 minutes walk).
